Recollekt partner sheet

ONE-LINE DESCRIPTION

Recollekt is a journaling app for iPhone and iPad that helps you reflect on an entry and find earlier writing by asking a question.

PRESS DESCRIPTION

Recollekt is a journaling app for iPhone and iPad. Write or speak an entry, then tap Reflekt for a response and a question to think about. When you want to revisit something, Ask Lucy can find relevant entries and show you the dates so you can read them again.

SAMPLE SPONSOR READ

This episode is sponsored by Recollekt. Ever written something down and later wondered, “What helped me last time?” In Recollekt, you can ask Lucy that question and open the dated entries behind her answer. Find Recollekt for iPhone and iPad at recollekt.app.
